GO PRO

Eicher Pro 1112XPT

The testimony of unmatched performance leading to high Vehicle Lifetime Profitability (VLP)

Eicher Pro 1112XPT tipper is one of the most profitable products of the Eicher PRO Series. Its biggest strength is its fully built mild steel tipper body which means that you do not have to wait for fabrication and mounting but can start earning from day one. Aptly known as the Mileage Ka Badshah, Eicher Pro 1112XPT ensures high profitability and prosperity for its owner.

High reliability & load carrying capacity

Fast pick-up and acceleration

Optimized maintenance cost, superior uptime

Best in class fuel efficiency

Superior cabin comfort

Compact vehicle design with new 3335 mm wheel base

EICHER E494 - HIGH PERFORMANCE ENGINE

Next generation CRS 4 cylinder 4 valve engine with Volvo Group Engine Management System 3.0

Max power output- 150 HP@2600 rpm

Max torque output- 490 Nm@1400-1600 rpm

BS-III compliant

Segment leading fuel efficiency and superior performance

New 4 cylinder engine, with high combustion efficiency and low parasitic losses leading to higher fuel efficiency

Advanced fuel injection technology

GO PRO

The Eicher Pro Series is a range of next-generation trucks and buses from 5 to 49 tons, designed to take the industry to a new **PRO**fessional level. It brings together the Volvo Group's world-class technology and processes and the frugal engineering and local expertise of Eicher. In keeping with the 'Go **PRO**' philosophy, the Eicher **PRO** Series **PRO**promises to deliver higher **PRO**fitability and more **PRO**sperity to its customers. This it fulfills through best in class fuel efficiency, superior uptime and better overall vehicle performance.
