*The most fuel-efficient truck  
powered with next-generation technology.*

Mileage ka Badshah

 **EICHER**

GO PRO

# Eicher Pro 3015

Redefining levels of performance and profitability, leading to high Vehicle Lifetime Profitability (VLP)

-  Best-in-class fuel efficiency
-  Fast pick-up and acceleration
-  High payload
-  Superior uptime
-  Modern world-class sleeper cabin comfort
-  Optimized maintenance cost

## EICHER E494 - HIGH PERFORMANCE ENGINE

### Displacement- 3770 CC

EICHER Pro 3000 Series trucks are solidly backed by the high performance E494 engine. With the new generation CRS 4 cylinder 4 valve engine and Volvo Group EMS 3.0, Eicher E494 delivers class-leading fuel efficiency and superior performance. They also have high combustion efficiency and low parasitic losses, leading to higher productivity and profitability.

### FIE SYSTEM WITH ADVANCED JAPANESE TECHNOLOGY

The highly robust and reliable Japanese FIE (Fuel Injection Equipment) system delivers highest sustained fuel pressure maintaining optimum fuel economy.

GO PRO

The Eicher Pro Series is a range of next-generation trucks and buses from 5 to 49 tons, designed to take the industry to a new **PRO**fessional level. It brings together the Volvo Group's world-class technology and processes and the frugal engineering and local expertise of Eicher. In keeping with the 'Go **PRO**' philosophy, the Eicher **PRO** Series **PRO**promises to deliver higher **PRO**fitability and more **PRO**sperity to its customers through best-in-class fuel efficiency, superior uptime and better overall vehicle performance.

## NEXT GENERATION SLEEPER CABIN

Modern world-class spacious cabin with state-of-the-art features

Designed to provide best-in-class comfort and a superior ride

Digital instrument panel with advanced features like cruise control and fuel coaching for driver assist

CED painted cabin with high gloss life

### Other Features

Dual panel cabin / 3 point ELR seat belt / Battery carrier with air tank mountings for easy serviceability / Rest kit & sleeper cab availability as option / Wide angle DRVM / Butterfly quarter glass for better ventilation / Bumper integrated headlamp / Lower footstep height

## Superior aesthetics

Aerodynamic cabin with modern styling

Dual panel cabin with cockpit-like styling

Instrument panel with trip mileage meter and diagnostics

## Enhanced convenience

Lockable glove box

Heavy try on both sides inside the cabin

Stylish room lamp

Clutch pedal foot and heel pad

## Supreme comfort

Hybrid GSL

Tilt and telescopic steering

Wide door opening (up to 80 degree)

6-way adjustable driver seat

## Rugged aggregates

6-speed OD gearbox

Domex chassis with high tensile strength

Air processing distribution assembly for long life effective braking

Monotron propeller shaft, 'lubricated for life'

## NEXT GEN FEATURES

IDIS – Intelligent Driver Information System giving information on operational data, fuel consumption and on board diagnostics

Cruise control comfortable for longer drive (first time in Indian commercial vehicle industry)

Fuel coaching and on-board diagnostic with real time guidance to drivers

When to accelerate

When to change gear

Driving ok!!

### Applications

Eicher Pro 3015 is suited for varied applications

Pharma

Poultry

Refrigerated container

Parcel / courier

Logistics

Textile

White goods

Fruits and Vegetables

Beverages
